State Project No. H.007065.6 (CE&I)
F.A.P. No. H007065
Finks Hide-A-Way, Phase I
US 165-Holland Drive
Ouachita Parish

Q1. In the Advertisement, Engineers and Senior Inspectors are required to have Traffic Control Supervisor and Traffic Control Technician certifications. According to the training the AGC gives, the Traffic Control Technician class is included in the Traffic Control Supervisor Class. Will the TCS suffice for both certifications?

A1. The recent AGC TCS certification will suffice for both certifications.
